PROFESSIONAL EXPERIENCE

First Analysis | Chicago, IL

Oct 2026

Incoming Investment Banking Fall Analyst

- Selected as 1 of 2 incoming analysts nationwide from a competitive applicant pool following 3 interview rounds, including a 2.5-hour modeling test.
- Prepared to support sell-side M&A execution and sector research for growth companies across enterprise software and healthcare IT practices.

Integrus Partners | Dallas, TX

Jul 2026 - Sep 2026

Investment Banking Summer Analyst

- Recast financials for a ~\$2.7M-revenue physician practice into monthly P&Ls, bridging reported earnings to adjusted EBITDA by normalizing owner compensation and non-operational expenses.
- Benchmarked 5.5x–7.5x bolt-on transaction multiples for PE-backed MSO platforms and evaluated acquisition structures across 70%–80% cash at close and 20%–30% rollover equity.
- Drafted buyer teasers, CIM financial sections, and strategic and financial sponsor outreach lists across concurrent clinical sell-side mandates.
- Maintained active diligence request trackers across practice sales, coordinating workstreams and schedules between clients and buy-side deal teams.

Alden Advisors | Dallas, TX

Jun 2026 - Jul 2026

Investment Banking Summer Analyst

- Screened pharma serialization targets in PitchBook across 10 market categories, narrowing a 51-company universe to a prioritized top-10 buyer list.
- Positioned a packaging compliance software client for strategic acquirers by benchmarking product capabilities against FDA DSCSA regulatory requirements.
- Authored 3–4 CIM pages on historical revenue mix, customer concentration, and competitive positioning to market an active sell-side mandate.

Dallas Venture Capital | Dallas, TX

Apr 2026 - Jun 2026

Venture Capital Analyst Intern

- Audited Seed and Series A capitalization tables to evaluate investor dilution, 1x liquidation preferences, and 10%–15% unallocated option pools ahead of partner votes.
- Evaluated ARR waterfalls, net revenue retention (NRR), and CAC payback, modeling 25%–30% downside haircuts on founder bookings to stress-test cash runways.
- Co-authored 2 Investment Committee memos on enterprise B2B tech targets (including a \$5.5M Series A round), synthesizing TAM, competition, and projected returns.
- Automated monthly KPI tracking in Python for 6 portfolio companies, eliminating recurring manual data pulls for the investment team.

EverGold Search Fund | Los Angeles, CA

Nov 2025 - Mar 2026

Private Equity Analyst Intern

- Screened 200+ lower-middle-market B2B services targets on recurring revenue, customer concentration, and CapEx intensity against fund criteria.
- Evaluated target financial profiles and preliminary debt capacity, assessing cash conversion and EBITDA quality to prioritize proprietary owner outreach.
- Designed 3 AI research workflows for regulatory filings review, news scans, and target one-pagers; adopted fund-wide, saving the team 15 hours weekly.

LEADERSHIP AND PROFESSIONAL DEVELOPMENT

Vandy 2 Wall Street | Nashville, TN

Jun 2026

Participant, M&A Pitch Competition

- Recommended selling a 51% controlling stake in Athleta while retaining 49% upside in the inaugural university M&A Pitch Competition.
- Modeled a 5-year operating case, DCF, and Sum-of-the-Parts (SOTP) valuation for an Athleta carve-out, underwriting a 19%–20% sponsor return scenario at a \$561M valuation.
- Analyzed SEC filings, equity research, trading comparables, and precedent transactions to co-author a 4-page investment banking memo.

SEYA | Dallas, TX

Jun 2025 - Jul 2026

Co-Founder, DTC Apparel Brand

- Co-founded a bootstrapped DTC apparel brand scaling to \$500K+ in first-year sales; directed pricing architecture, overseas manufacturer terms, and capsule drop logistics.
- Scaled brand to a 6.1M audience reach via a campus creator and UGC program spanning 10+ US and Canadian college campuses in year one.
- Built in-house software to replace manual creator tracking, saving 20–25 hours weekly on creator communication, organization, and launches.
